

Warranty

Beverage Management Systems warrants its products to be free from defects in materials and workmanship under normal use and service. Beverage Management System's obligation under this warranty being limited to making good, at its' factory, any part or parts thereof to the following period: pumps and manifolds, ONE (1) year; mechanical parts ONE (1) year; and electrical components, ONE (1) year warranty to the original purchaser. Beverage Management Systems makes no warranty whatsoever with respect to tubing. All products are FOB Tualatin, Oregon.

1) Buyers of an Easybar replacement product must return defective parts within 30 days of receiving to receive credit under warranty. Any defective parts returned to the factory under warranty any later than 30 days after a replacement part has been shipped will not be credited.

2) Any equipment that is physically damaged or mishandled is not covered under warranty. This includes, but is not limited to, moisture damage on electronic boards and attempted field repair on warranty equipment by unauthorized personnel. Tampering with or removing serial numbers voids all warranties.

3) Beverage Management Systems reserves the right to make changes in design or to make additions to, or improvements on, all products without incurring any obligation or liability to install the same on any products previously manufactured. Warranties apply to stock items. Any special orders engineered by Beverage Management Systems at the request of a buyer are subject to special warranties.

4) Default on any debt owed to Beverage Management Systems due to customer bankruptcy, transfer of ownership, or any other reason voids all equipment warranties.

5) Please call the factory for repair charges of non-warranty parts.

Returned Goods

Easybar equipment must not be returned without prior written approval or consent of Beverage Management Systems. All returned equipment must be sent freight prepaid. With equipment returned for repair, Beverage Management Systems shall be notified in writing by the buyer as to the nature of the defect. Equipment returned for repair will be restored to proper operating condition or replaced. New parts returned for credit will be subject to a 15% restocking charge. Parts covered by warranty will be repaired or replaced as specified in the warranty section of this policy.

Laws and Regulations

Beverage Management Systems has complied with applicable federal laws, rules, and regulations. Easybar takes no responsibility or liability for local changes in laws, rules, and regulations, or local taxes imposed by any state or political subdivision thereof, or foreign country. All products are FOB Tualatin, Oregon. Changes made to Easybar systems due to Health Department Regulations are at owner's expense.
